Dear Mr Koch,

My name is Mike and I work in Politecnico di Milano for helping companies to recruiting graduates of our university.

Politecnico di Milano (www.polimi.it) is one of the top technical universities in Europe, with over 40.000 students who graduate in Engineering, Architecture and Design.

I believe your company will be interested in recruiting graduates from our university and coming on campus to make employer branding activities. Per example, as a start, we can make you job and internship offers visible on our website, free of charge.

Can I arrange a phone call with you to discuss this in detail?

I look forward to hearing from you,

Regards,

Mike
