# Universidad Nacional Autonoma de Mexico

## Description

The National Autonomous University of Mexico has played a leading role in the history and formation of our country. The substantive tasks of this public, autonomous and secular institution are teaching, research and the dissemination of culture.

In the academic world it is recognised as a university of excellence. UNAM responds to the present and looks to the future as the most important cultural project in Mexico.

UNAM is a place of freedom. It is a place where respect, tolerance and dialogue are practised on a daily basis. The plurality of ideas and thought is appreciated as a sign of its richness and never as a factor of weakness.

## Strengths

- Very solid university, many years of history.
- International atmosphere.
- Excellent ranking position.
