

Latvijas Makslas Akadēmija

 Rīga, Latvia

Latvijas Makslas Akadēmija

Description

The Art Academy of Latvia (AAL) is an academy of higher education and scientific research in art, creativity and culture in Riga.

Established in 1919, the Design Department offers studios in functional design, environmental art, metal design and fashion art.

The department of audio-visual media art it is possible to specialize in visual communication, sub-branch “Movement, image, sound” and set design. From 2021, the AAL, together with the University of Lapland in Finland, plans to admit students to the two-year international Master’s programme “Service Design Strategies and Innovations”.

Strengths

- All the students of the Academy study traditional art techniques of the respective art area, specialize in the application of traditional and untraditional materials, as well as develop creative skills related to the use of modern media.
