# Panepistimio Dytikis Attikis - University of West Attica / Arts and Interior Architecture

## Description

The school has about 25.000 students (20.000 graduated and 5.000 post-graduated). It has been undergoing an evolutionary stage (Tei of Athens merged with Tei of Piraeus).

Starting with this academic year it has been restructured administratively and qualitatively in Full blown university.

The University of West Attica (UNIWA), was founded in March 2018. The newly established university is the third largest in the country in terms of student numbers. It has approximately 52,000 undergraduate, 1,150 postgraduate and 210 doctoral students.

## Strengths

- All study programme are taught in Greek but in most studio scenarios teacher will communicate with Erasmus+ students in English (B2 level of English is required). Greek basic courses are offered during the semester.
- On-campus accommodation are not available but incoming students will be helped by Erasmus Student Network with the research. Access to the gym is available. TEI provides free meals for exchange students (2xday/7daysweek).
