

# If you took the TOL 2024 or TOLC-I 2024 while you were in the penultimate year of the 2023/2024 school year or you have taken a SAT

## LAUREA (EQUIVALENT TO A BACHELOR OF SCIENCE) PROGRAMMES IN ENGINEERING (IN ITALIAN)

≥75

You can use it in the **early enrolment phase from 5 May to 12 June 2025** (without ranking list) or in the **second, third, or fourth enrolment phase** (with ranking list).

If you enrol in the **early phase** go to Online Services > Bachelor's and single cycle degrees: admission or recovery test and enrolment. You can choose your preferred degree programme. Enrolment is completed by paying the first instalment.

If you do not enrol during the **early phase** you can request to be included in the ranking lists of the following phases by accessing [Online Services](#) > Bachelor's and single cycle degrees: admission or recovery test and enrolment > Ranking list registration. Registration for the second phase ranking list must be completed by 11:59 a.m. (CEST) on **19 June 2025**.

≥30  
and < 75

You can use it in the second, third, or fourth enrolment phase (with **ranking list**). You can retake the TOL or TOLC in 2025 to improve your score for ranking purposes.

You can request to be included in the ranking lists of the following phases by accessing [Online Services](#) > Bachelor's and single cycle degrees: admission or recovery test and enrolment > Ranking list registration. **Registration for the second phase** ranking list must be completed by 11:59 a.m. (CEST) on **19 June 2025**.

If you take the TOL 2025 or register a TOLC-I 2025, the system will ask you to express your preferences and simultaneously include you in the ranking list for the second phase.

You must have taken the TOLC-I by 31 July 2024 and registered your result in the Online Services by 11:59 a.m. (CEST) on 7 August 2024.

## LAUREA (EQUIVALENT TO A BACHELOR OF SCIENCE) PROGRAMMES IN ENGINEERING (IN ITALIAN) AND CIVIL ENGINEERING (IN ENGLISH)
