

## **SPECIFIC REQUIREMENTS FOR CERTAIN TYPES OF FOREIGN QUALIFICATIONS**

### **INTERNATIONAL BACCALAUREATE (IB)**

For students who began their secondary education in Italy, the two-year IB program is accepted only if the student has completed the first three years of upper secondary school and has obtained eligibility for the fourth year.

### **BRITISH SECONDARY SCHOOL QUALIFICATIONS**

The three A-levels with passing grades required for enrolment may be in any subject, with the exception of Italian for Italian citizens.

A maximum of one missing A-level can be compensated through a one-year foundation course.

### **CHINESE SECONDARY SCHOOL QUALIFICATIONS**

Regarding the mandatory academic eligibility exam required for enrolment, please note that the Gaokao will be accepted regardless of the score.

Conversely, the Chunkao exam will **not** be accepted.

### **UNITED STATES SECONDARY SCHOOL QUALIFICATIONS**

The three APs with a mandatory score between 3 and 5 required for enrolment may be in any subject, with the exception of Italian for Italian citizens.
