DIPARTIMENTO DI ENERGIA

EPL RECAP Course

16-17 February 2023

COURSE PARTICIPANTS

The course is intended for European Patent Attorneys being qualified to be registered as European Patent Litigators and wishing to refresh their preparation in view of the the entry into force of the Unitary Patent system.

COURSE DESCRIPTION

In view of the entry into force of the UPC Agreement, the EPL Recap course of the University Politecnico di Milano is aimed at making a summary of the principal points on how the Unitary Patent system works, with a special focus on the *opt out* and the *opt in* for the European Patents in the transitional period and a summary on the organization and functioning of the Unified Patent Court.

TRAINING FORMAT

The course comprises 12 hours spread over two days on 16th and 17^h February 2023.

Lectures will be in **English**.

The lessons will be held in presence with live streaming on the Microsoft Teams platform from 10:00 am to 01:15 pm and from 02:15 to 05:30 pm.

A few days before the lesson, the participants will receive a link to the virtual room where the lesson will take place. Questions may be asked at the end of the lesson or during the lesson at the discretion of the lecturer.

TEACHING MATERIALS

All the participants will have access to video-recordings of the lectures, the presentations and the material of the course, which will be downloadable from the website with a personal password.

DISTANCE LEARNING

Lessons will be recorded with Microsoft Teams and made available to participants on the course's sharing cloud.

CERTIFICATES

Participants will receive a certificate of attendance at the end of the course.
